

## **1. Introduction**

### 1.1 Purpose

- 1.1.1 General Purpose of similar projects.
- 1.1.2 Specific problems targeted by this project.

### 1.2 Scope

- 1.2.1 The coverage of this document.
- 1.2.2 Platforms
- 1.2.3 Hardware (if applicable)
- 1.2.4 Software

## **2. Specific Requirements**

- 2.1 Software Functionality
- 2.2 Hardware/Software interface
- 2.3 Performance Evaluation
- 2.4 Implementation Attributes
- 2.5 Potential Constrains

## **3. Documents**

### 3.1 Application Notes

- 3.1.1 Description: Application notes will be updated with the PE version.
- 3.1.2 Covered Contents

### 3.2 User Guide

- 3.2.1 Introduction
- 3.2.2 Hardware
- 3.2.3 Software
- 3.2.4 Settings
- 3.2.5 References

\* This document is NOT a template for you to follow but only a reference for you to start up. 1  
There's a lot of resources introducing how to produce an effective RSD online, you should check these out and tailor your own documentation according to the specific type of your project as well.
